§ 1.136 Extensions of time.

(a)

(1) If an applicant is required to reply within a nonstatutory or shortened

statutory time period, applicant may extend the time period for reply up to the

earlier of the expiration of any maximum period set by statute or five months

after the time period set for reply, if a petition for an extension of time and the

fee set in § 1.17(a) are filed, unless:

(i) Applicant is notified otherwise in an Office action;

(ii) The reply is a reply brief submitted pursuant to § 1.193(b);

(iii) The reply is a request for an oral hearing submitted pursuant to §

1.194(b);

(iv) The reply is to a decision by the Board of Patent Appeals and

Interferences pursuant to § 1.196, § 1.197 or § 1.304; or

(v) The application is involved in an interference declared pursuant to §

1.611.

(2) The date on which the petition and the fee have been filed is the date for

purposes of determining the period of extension and the corresponding

amount of the fee. The expiration of the time period is determined by the

amount of the fee paid. A reply must be filed prior to the expiration of the

period of extension to avoid abandonment of the application (§ 1.135), but in

no situation may an applicant reply later than the maximum time period set by

statute; or be granted an extension of time under paragraph (b) of

this section
when the provisions of this paragraph are available. See § 1.136(b)
for
extensions of time relating to proceedings pursuant to §§ 1.193(b),
1.194,
1.196 or 1.197; § 1.304 for extensions of time to appeal to the U.S.
Court of
Appeals for the Federal Circuit or to commence a civil action; §
1.550(c) for
extensions of time in ex parte reexamination proceedings, § 1.956
for
extensions of time in inter partes reexamination proceedings; and §
1.645 for
extensions of time in interference proceedings.

(3) A written request may be submitted in an application that is
an authorization
to treat any concurrent or future reply, requiring a petition for an
extension of
time under this paragraph for its timely submission, as
incorporating a petition
for extension of time for the appropriate length of time. An
authorization to
charge all required fees, fees under § 1.17, or all required
extension of time
fees will be treated as a constructive petition for an extension of
time in any
concurrent or future reply requiring a petition for an extension of
time under
this paragraph for its timely submission. Submission of the fee set
forth in §
1.17(a) will also be treated as a constructive petition for an
extension of time
in any concurrent reply requiring a petition for an extension of time
under this
paragraph for its timely submission.

(b) When a reply cannot be filed within the time period set for such reply and the provisions of paragraph (a) of this section are not available, the period for reply will be extended only for sufficient cause and for a reasonable time specified. Any request for an extension of time under this paragraph must be filed on or before the day on which such reply is due, but the mere filing of such a request will not affect any extension under this paragraph. In no situation can any extension carry the date on which reply is due beyond the maximum time period set by statute. See § 1.304 for extensions of time to appeal to the U.S. Court of Appeals for the Federal Circuit or to commence a civil action; § 1.645 for extensions of time in interference proceedings; § 1.550(c) for extensions of time in ex parte reexamination proceedings; and § 1.956 for extensions of time in inter partes reexamination proceedings.

(c) If an applicant is notified in a "Notice of Allowability" that an application is otherwise in condition for allowance, the following time periods are not extendable if set in the "Notice of Allowability" or in an Office action having a

mail date on or after the mail date of the "Notice of Allowability":

- (1) The period for submitting an oath or declaration in compliance with § 1.63;
- (2) The period for submitting formal drawings set under § 1.85(c); and
- (3) The period for making a deposit set under § 1.809(c).
